John Joshua Mesia
Student Intern

I am Joshua, a Computer Science Student Mapua Malayan Colleges Mindanao. I have experience with web development, mobile app development, robotics, and machine learning. Also I sometimes do game development using Pygame in Python.

I am a fast learner and a team player. I am dedicated to improve my knowledge and skills and do my duties to the best of my abilities

Experience

2016 - Present
JJ Computer Maintenance

Computer Technician

I worked as Computer Technician for 8 Years. I do computer repair and cleaning. I also do diskless setup for computer shops around the Philippines so I learn a little about system topology.

Projects

PSYMED

A web application that detects panic attack precursors using CNN-based Facial Expression Recognition Model

JavaScript, Python, HTML, CSS, SASS

AQUALERT

A web application created for a water utility supply complaint management system.

Mantine UI Kit, JavaScript, Firebase

MATCH A GAME

An application that is built on Pygame. It is a card matching game that challenge the player's memory and concentration

PyGame Library, Python

TRIVIA MANIAC: Math and Science Edition

An application that is built on Pygame. It is a Science and Math Quiz game like the famous TV show Who Wants to be a Millionaire however this does not have any lifeline.

PyGame Library, Python
